

# HELICOPTER SOLUTION

## COMPLETE YOUR FLEET

Your business solution to time and efficiency.  
A complement to any corporate flight department.

*"I was flying the jet back and forth to Chicago, but when you land in Chicago, it seemed like there still is an hour drive with a bunch of traffic. It still took you forever to get anywhere. That's when we started looking at the helicopters."*

-Aaron Zeigler **Bell 429 Owner**

# Helicopter Time Savings

How efficient is your business travel?

*"I have four kids. I'll have breakfast with them, and then the kids go to school. I'll go to Chicago for the day, or Wisconsin or Indiana, and do my work. And I'm back for dinner or I'm back for their sporting events."*

-Aaron Zeigler **Bell 429 Owner**

Helicopters offer operational cost savings while minimizing travel time. Complete your fleet with helicopter solutions from Bell.

## Trip Savings Example

Willis Tower, CHI to Milwaukee, WI

**CAR & HELICOPTER** 7 + 35 min

*drive to nearest heliport*

**CAR & PLANE** 50 + 50 min

*drive to nearest airport*

**CAR** 2 hr 30 min

*with rush hour traffic*

# The Helicopter Solution to Business Travel

## Bell 429 vs Large Cabin Business Jet

### COST SAVINGS

- Approximately 60% lower initial acquisition cost
- Approximately 80% lower operating costs
- Significantly lower cost of components

### TIME SAVINGS

- Takeoff from your back yard and land virtually anywhere; no airport security hassles or airline delays
- Easy point-to-point travel means more meetings in less time

### COMFORT

- Productive, private travel environment
- More private, on-demand travel experience
- Custom, comfortable cabin configuration and seating

## Operating Cost Comparison

Per Flight Hour
