

**BLADE REPAIR**

**REDUCE YOUR DOWNTIME.  
EVERY TIME.**

# KEEP ROTOR BLADES AT THE READY

Commercial and military operators around the world rely on us for new, repaired, and overhauled rotor blades. We offer standard and global field repairs, so you can receive our trusted service no matter where you are.

## STANDARD REPAIRS

Contact your Bell Representative or the Bell blade repair facility closest to you

Ask about blade rental to reduce downtime

Ship blade(s) to facility or inquire about field repairs

Receive a quote for repairs after a thorough blade inspection

Approve the quote and we'll proceed with repairs and return the blades to you

## GLOBAL REPAIRS

### VALUE

Eliminate shipping costs and save time with round-the-clock on-site rotor blade repair(s) 365 days a year, performed by our certified specialists

### SPEED

Minimize aircraft downtime and receive real-time, in-person repair status updates

### CONVENIENCE

Receive on-site service and in-field repair for optimal convenience and unparalleled support
